

Adopt-A-Book @ the El Dorado County Library

An Adopt-A-Book is a wonderful gift to the library that can be opened again and again. Your donation will be used to purchase much-needed books for the library collection at the branch of your choice. You will be honored with a permanent bookplate with your name inside the book, and your name will be included in the library catalog. If you prefer, you may honor a loved one by adopting a book in their name or in their memory. Your donations are gratefully received by the library and are tax-deductible.

Thank you for Adopting a Book at the El Dorado County Library!
