People Files

The following list of last names represents files in the Museum's Research Collection. This is only small part of the Museum's genealogical information. If you find a name on this list, it means that we have information about someone in that family in a file at the Museum. Please contact us for more details about the file. If the name you are looking for does not appear on this list, we may have information in another source. Please contact us so that we may do a more complete search.
