FELT STORY – CHICKA CHICKA BOOM BOOM, by Bill Martin

All you need to bring this story to life is:

- 1 palm tree
- the alphabet

If you're feeling crafty...

Use the bright illustrations from the book as your guide for the alphabet. I chose bright colors then glued them down on a contrasting color. This extra layer makes the pieces look nice, and increases durability.

To make your palm tree, just cut out the above image, tape to your felt, and cut out your tree. You can add some dimension by cutting out coconuts separately and gluing on top.
